FOREWORD

We, the staff, editor, and advisor hope that this 1958 LA MELE will contain some of your most cherished memories. It is our sincerest wish that you will enjoy the annual as much as we have enjoyed bringing it to you.

To the administration and students of Wahkiakum High School, it is thus the staff presents the 1958 LA MELE . . .

THE HISTORY OF LA MELE

The name LA MELE means the mule, which is our mascot, and the name applies to all of our athletic teams.

When it was decided that we wanted an Indian name and yet, one that had some connection to the word mule, our next step was to consult one of the Indians who lived in Cathlamet. We were told that when translated LA MELE meant "The Mule" and so since we had found what we wanted, our next step was to have our information confirmed by an authority on the subject.

"La Mele" is a word taken from the Chinook jargon coming into the jargon from the French spoken by early French-speaking Canadians in the Columbia Valley. This jargon was later used by the Indians; therefore, we often think of it as being an Indian word.

SUPERINTENDENT JULIUS A. WENDT

SUPERINTENDENT'S MESSAGE

Seniors of 1958, you are graduating from high school at a time when much is demanded of you. At no time has so much emphasis been put on the importance of education. Industry, science, the professions are all demanding highly trained and specialized workers and competition in all these fields is keen. True, this is a time of great opportunity but not without industry and hard work. To meet the challenge of this age you will have to expend yourself to the limit of your abilities.

As you leave this high school I wish you well. Whatever you choose to do with your life, give it the best you have, no less, and you will be rewarded.

PRINCIPAL'S MESSAGE

Time passes swiftly and in these fleeting days seniors will experience various moods. The drudgery of the moment with the endless repetitious tasks is replaced at times by the challenge of the future. The happiness brought by school ending alternates with sadness upon leaving friends and a familiar situation.

Your education is not merely schooling. It is a life-long self discipline and training which should be encouraged by a reasonable opportunity to lead a good life and seek certain goals.

These goals are generally vague. If you have planned well, however, you will soon see a certainty of need and follow a definite program of work or study.

Appreciate the present then with its thorny problems and joys. Life passes swiftly—live it to its fullest.

SENIORS ENJOY ANNUAL "SNEAK"

On May 2 of this year the seniors took their annual Senior Sneak. The whole class, chaperoned by Mr. and Mrs. Bill Patterson and Lee Evans, enjoyed a day at Battleground Lake. Most of the day was spent eating. Some of the boys even spent the day fishing but didn't catch a thing. A few of the industrious students hiked around the lake after lunch.

All-in-all the whole class had a wonderful time and it will be remembered in years to come.

Mrs. Trumbull teaches the geometry class. Although it is constituted mainly of sophomores, there are a few juniors and a senior in there.

The class of 1960 as freshmen was initiated in an appropriate manner and enjoyed the Freshmen Welcome Dance. The Senior Farewell given in May by the freshmen, with Miss Anne Carroll as advisor, was a real success. "Aloha" was the theme.

Now as sophomores, with Mr. Bob Kerstetter as advisor, they gave the Sweetheart Swirl, Saturday, February 15.

Both years they sold concessions at home football games.

Miss McCarter is teaching English I. Learning plenty, freshmen?

Activities of the class of 1961 started out with initiation, administered by the seniors. The seniors were as mean as they could be (in the opinion of the freshmen).

Many freshman boys turned out for football, some of whom played in league games.

The freshmen added to their funds by taking charge of a concession at a football game.

At the end of the year the freshmen sponsored the Senior Farewell dance, which was enjoyed by everyone.

The freshmen are looking forward with enthusiasm to their next years at Wa-Ki-Hi.

To start the ball rolling this year, the Girls' Athletic Association made and adopted a new constitution. They sponsored a candy-cake walk and a St. Patrick's dance. They also sponsored the girls' interclass basketball games in March. The association sent girls to several play days where they competed with girls from other schools. The girls worked hard this year to obtain the points necessary for award certificates. These points were earned by attending weekly turnouts. The association strives to create good sportsmanship among its members.

LA MELE STAFF PRODUCES "BOOK OF MEMORIES"

As the La Mele staff looks over this school year, the members have a feeling of accomplishment. They worked hard to meet their three deadlines and to produce an interesting yearbook. The staff put to use many ideas brought back from the yearbook workshop held in the fall at the University of Washington. The staff, after many sacrifices of time, is proud to have produced the 1958 La Mele.

FOOTBALL STARTS SLOWLY, BUT ENDS IN WHIRL

In his second season as head football coach at WHS, Bill Patterson was handling an inexperienced team in a new league.

Their first game was at the Trico League jamboree in which they played and lost to a highly-rated Kalama team, 35-0, in one half. As far as everyone was concerned, except the Mules and Coach Patterson, this was another cellar-dwelling year for the "small and inexperienced" Mules.

The Mules lost two more games to Ilwaco and Valley (the latter winning the Pacific County League championship) by the score of 46-6 and 40-19. However, the Mules were beginning to show some spunk which the Cathlamet fans hadn't caught wind of yet.

The Kalama game, to most people, was going to be a pitiful slaughter in their eyes, but Coach Patterson's fired-up Mules played like champions and led the Chinook gridmen up until the final quarter before losing out, 19-32.

But this was a new team! And they proved it by winning their next three ball games in a row, trouncing Naselle 46-0, edging South Bend 21-20, and beating Ocosta 19-6 to cop third place in the Pacific County League and earn the respect of all the football fans in the new league.

Two senior boys, Larry Hosley and George Lechner, made the Pacific County League all-opponents' team this year.

Larry played left-halfback and in addition he won the *inspirational* t r o p h y. George played left end on both offense and defense and did an exceptionally good job for his first year in the sport.

Chuck Parker, tackle, made the 2nd team, and Jack Dickson, junior center, made honorable mention.

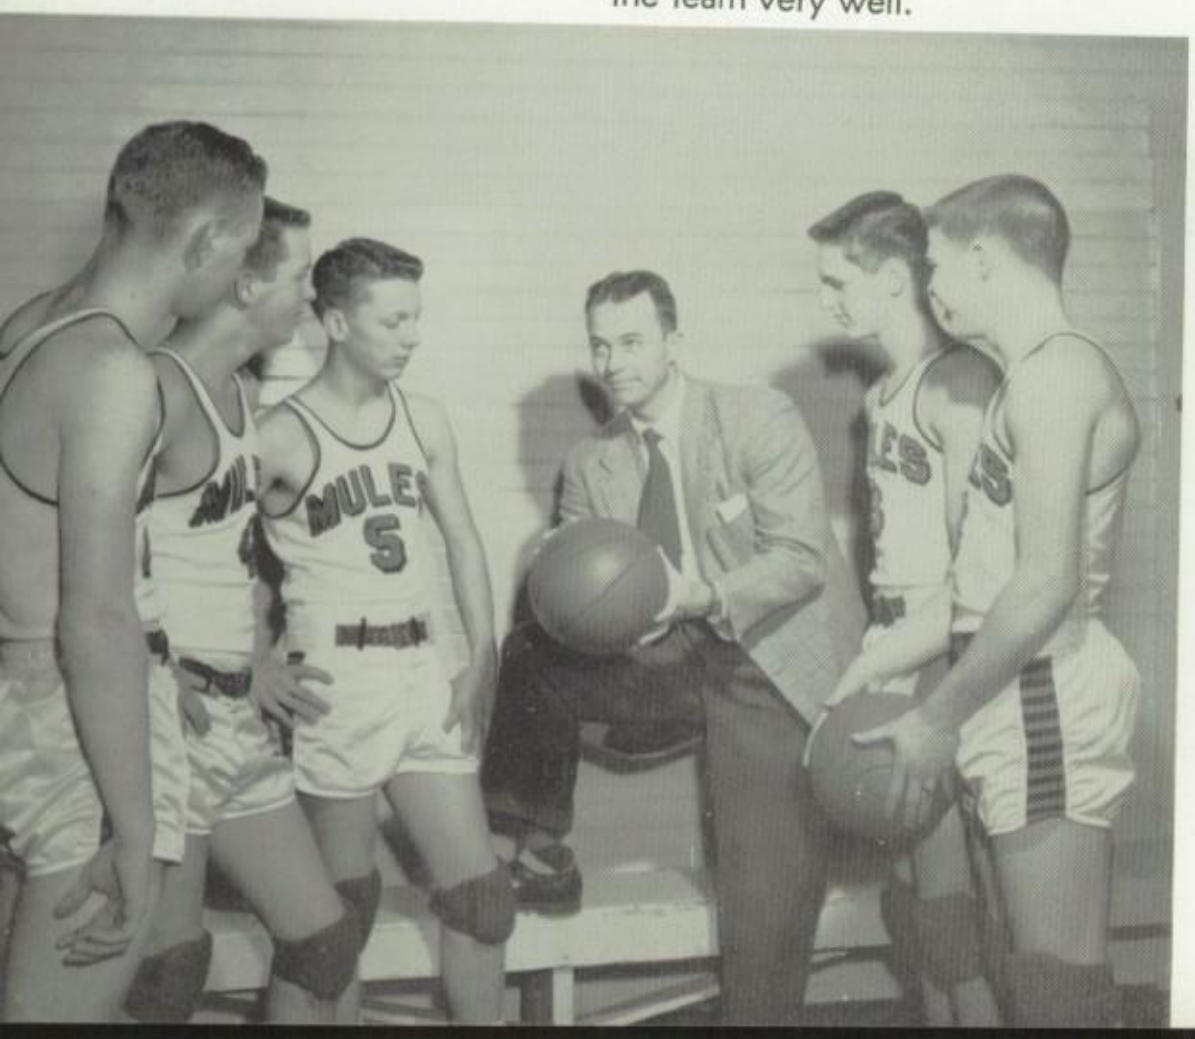
FIVE SENIORS GRADUATE

Five seniors, all making up the first five starters on this year's basketball team are graduating this year. They are George Lechner, Robert Rodal, Larry Hosley, Jim Anderson, and Tim Jacobson. Each played outstanding ball in his last year and they all worked very hard and functioned as a good team. Each was a factor in the highly successful season in which the Mules almost went to the State "B" tournament.

Jim Anderson and Larry Hosley were the Co-captains all year long and carried the team very well.



George Lechner was the outstanding player on the club. He won the most inspirational award, the most valuable player award, and shared the free-throw trophy with his fellow senior, Jim Anderson.

All of the boys played very well and each of the five had their nights of glory. When every boy played his best, they were very tough to beat, as they carried the team to a won-lost record of 18-8, including 3 wins and 2 losses in the Southwest Washington class "B" tournament.

Wa-Ki-Hi Junior Varsity enjoyed their second straight successful year under coach Bill Patterson. The "Burros" had a good won-lost record of 12-4 in the new Pacific County League.

The team was made up mainly of freshmen and sophomores. The freshmen looked good and worked well together and should be a fast-break threat in a couple of years.

Gilbert Vik, a sophomore, who also played a little varsity at the season's end, was awarded the scrub award.
